Taste party in Sölden's newest restaurant

Look forward to the beginning of a great love story when our delicious dishes touch your palate for the first time! What's on offer? Creative vegetarian and vegan dishes. But also tender steaks straight from the lava stone grill, lovingly prepared burgers, quesadillas, burritos, finger food, tacos and burritos. What more could your stomach want? You'll find it all on our menu in the restaurant.

Short Ways

As international as our menu may be, most of our food has not travelled the world. The majority of the products we use come from the region and from responsible farming. Our incomparable burger bread is handmade. As you can see, regional products and craftsmanship are our top priorities. All dishes are freshly prepared on site. You can taste that. That's a promise!

We look forward to taking you on a taste journey at the Liebelei and hope to make you a frequent Liebelei visitor.
